

The Government of Costa Rica
cordially invites you to:

**"Mobilizing efforts to tackle
Marine Debris: internationally,
nationally and right here at
United Nations Headquarters"**

Monday, June 5, 3:00–4:30pm
Conference Room 6

Featuring efforts from around the world to address marine debris, including the announcement of an exciting new inter-governmental pledge.

Hear about actions from civil society, small island communities and governments at the highest levels.

The event will also showcase the #OneLess water bottle initiative, an effort to make the SDG14 conference single-use plastic water bottle free.

Get your free bottle at the event.
